Condé Nast Traveler's Editors & Contributors***

NEW YORK, NY – DECEMBER 20, 2016 – *Condé Nast Traveler* today announced the winners of its [2017 GOLD LIST](#) with **The Sherry-Netherland Hotel** recognized as one of the selected winners in *The Best of New York City*.

The *Condé Nast Traveler* Gold List 2017 recognizes the hotels around the world that the title's editors and contributors visit time and time again – and daydream about long after checkout. “This year’s Gold List is a collective love letter to all of those hotels and resorts around the world that set the standard for a life well-lived,” says Pilar Guzmán in her editor’s letter. “So while these stays are meant to take you out of the familiar, they nonetheless serve as the gold standard for how we should treat one another and ourselves – even when we are the ones making the beds.”

Located at the corner of 59th Street and 5th Avenue, and celebrating its 90th Anniversary in 2017, The Sherry-Netherland is a timeless New York City classic offering world-class accommodations and European-style service. All of the 50 rooms and suites, many with views of Central Park, are individually decorated and maintain original architectural details including decorative fireplaces, crown moldings and high ceilings. Some of the stunning marble bathrooms still feature the original pedestal sinks with nickel-plated faucets from the 1920s.

“For the first time in The Sherry’s 90-year history, we are honored, and humbled, to be named to the incredibly prestigious *Conde Nast Traveler* Gold List 2017,” said Michael J. Ullman, *Executive Vice President & Chief Operating Officer*, The Sherry-Netherland. “As the current caretakers of this magnificent property, this award is truly a tribute to the tireless dedication of our entire staff, whose meticulous attention to detail ensures The Sherry’s enduring legendary status.”

ABOUT THE SHERRY-NETHERLAND

A timeless New York City classic, The Sherry-Netherland offers guests world-class accommodations and European-style service at this iconic Central Park hotel topped by its signature elaborate Gothic minaret. The mural on the ceiling of the intimate and hushed lobby was inspired by Raphael's frescoes in Cardinal Bibbiena's Loggetta in the Vatican Palace and in 2014 was refurbished to reflect its original splendor. From exemplary service – including concierge assistance, elevator attendants and valet parking – to spacious, individually decorated rooms and suites, many with decorative fireplaces, a stay at The Sherry has been an expression of privilege since 1927. All accommodations feature high ceilings, marble bathrooms, with some featuring the original pedestal sinks with silver-plated faucets from the 1920s. The famed Harry Cipriani restaurant, located off the lobby, is a near duplicate of the famed Harry's Bar in Venice, and serves classic Venetian food and Cipriani's signature Bellini cocktail. In January 2016 The Sherry-Netherland was named the #1 Top Hotel in the United States in 2016 TripAdvisor Travelers' Choice™ awards for Hotels, as well as the #22 Top Hotel in the World, and #23 Best Hotel for Service in the U.S. The hallmarks of Travelers' Choice winners are remarkable service, quality and value, all characteristics the Sherry-Netherland graciously possesses. The hotel is a proud member of both Preferred Hotels & Resorts, and the Mantis Collection. www.sherrynetherland.com
