Shop

Chef Heston Blumenthal's take on a portable charcoal grill is **the CUBE**, which looks like an oversized bento box with stacking trays for cold storage and food prep. Fabricated with heat-resistant chrome handles by Everdure. From \$190. [everdurebyheston.com](http://everdurebyheston.com)

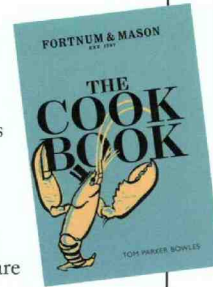

The **David Oscarson Koi** collection of pens depicts fish swimming against teal, red, or sapphire blue backgrounds. Since 2000, St. Louis-based Oscarson has fashioned 27 limited-edition fountain and rollerball pen designs, each engraved, enameled, fired, and polished entirely by hand. From \$5,600. Milan-based interior designer **Iris Roth** creates modern Sicilian dinnerware in simple shapes used for generations in rural Italian kitchens. White, gray, and earth colors available. From \$41/plate. \$27/espresso cup and saucer. [irisroth.com](http://irisroth.com)

**Kvadrat x Adidas Originals Stan Smith sneakers** feature the Danish textile manufacturer's spotted Squares fabric. Available in navy, burgundy, and light blue base layers with complementing colors for the polka-dotted overlay patterns. \$120. [adidas.com](http://adidas.com)

A pair of bike-enthusiast engineers designed the **Lumos Helmet**, embedded with bright white and solid red LED lights indicating turning, braking, and slowing down for high visibility and safety. \$200. [lumoshelmet.co](http://lumoshelmet.co)

Esteemed food writer Tom Parker Bowles' whimsical new tome **The Cook Book** catalogs 300 years of cooking history from British purveyor Fortnum & Mason. Recipes range from classic English fare such as Welsh rarebit (not what you think: it's basically a toasted cheese-and-tomato sandwich) to simple granola zested with orange peel. Includes tantalizing photos and engaging stories of featured dishes. \$35. [harpercollins.com](http://harpercollins.com)

Interior designer **Michael Bargo's** Brooklyn apartment/studio is open for business. Everything is for sale and stock is refreshed every few months from Bargo's enormous warehouse full of "finds." Go for a leopard-print sofa, a Napoleon III bookcase, or an antique Berber rug brought back from a recent trip to Morocco. [michaelbargo.com](http://michaelbargo.com)

New-release **Tata Harper Crème Riche** moisturizer combines hyaluronic and essential fatty acids to keep skin hydrated. Harper lives on a 1,200-acre farm in Vermont where she grows ingredients for her 100 percent organic formulas. Her raspberry-tinted lipsticks also work on cheeks; one creamy moisturizer twinkles with real diamond dust. \$185/50 ml. [tataharperskincare.com](http://tataharperskincare.com)
